

Watching a VCR tape on TVs in rooms 2, 3, 4

Press the power on the TV. Turn the TV to channel 3. Press the power button on the VCR. Insert tape and press play.

You have the option to watch on one or all TVs in rooms 2, 3, 4. To play on all TVs, insert tape, turn on the TV and VCR in room 4 and put the TV on channel 3. Turn on TVs in room 2 and 3 and place on channel 3. Make sure VCRs in rooms 2 and 3 are both turned **off**. Make sure the Video A+B switch is turned to **B** on both TVs in rooms 2 and 3. See photo. The last step is to press play on the room 4 VCR to play all three TVs.

Please turn off TVs and VCRs when finished.
